Dear Mr. Little:

Re: 1991 Annual Report, White River Oil Shale Mine, M/047/017, Uintah County, Utah

On January 27, 1992, the Division received your annual report for the White River Oil Shale mine. We appreciate you completing this report and returning it to us. Although the mine is in suspension until the BLM finds a new owner, we will continue to request the BLM complete this annual report each year until such a time as there is a new owner or the mine has been completely reclaimed.

Thank you for your cooperation and help in keeping these reports current.

Sincerely,

Joelle Burns
Minerals Secretary
